Activity 2: Creating Digital Collage

19.07.2018

Theme - Working Together to Prevent Suicide

Outcome Assessment

1. Marks: 20 (scoring will be on the originality, image quality, creativity, appropriateness and visual appeal)
2. Rewards for the top three curators (Top scores)
3. Best collages will be shared on Augmenta Health Social Media Handles as a part of the 2-month Suicide Prevention Campaign to be conducted during the months of World Suicide Prevention/ World Mental Health Day.

Steps in making e-Collage / Digital collage

- **Step 1:** Come up with a hot, spicy and tangy title using 3 C's:
 - **Catchy:** Be Creative
 - **Crisp:** <7 words
 - **Clear:** reflect the content, avoid jargon

- **Step 2:** Access the websites* and download your images to create your repository.
 - Chose high quality, free for commercial use / no attribution required images
 - *Few suggested websites:
 - Pixabay - <https://pixabay.com/>
 - Pikwizard - <https://pikwizard.com/>
 - Openclipart - <https://openclipart.org/>
 - Pexel - <https://www.pexels.com/>
- **Step 3:** Access the Power Point template shared by us in the student's zone @ www.augmentahealth.com/fpmh
- **Step 4:** Play with the images on the PowerPoint template and Create a Photo Collage with PowerPoint
 - Refer <https://www.techwalla.com/articles/how-to-create-a-photo-collage-with-powerpoint>
- **Step 5:** Pour in imagination and creativity - apply filters, borders, background
- **Step 6:** Finalize the collage, check errors, and give final touch
- **Step 7:** Submit your PowerPoint @ www.augmentahealth.com/fpmh/assignment

Note: Submission Deadline: 20th August 2019 10.00am
